## Purely Business!

The contents of a newspaper represent high value. No publisher can afford to give advertising "notices" to the public, as it is a waste of time to have them over his counter free gifts of dry goods or shoes. A newspaper is a criticism of the public, and its columns are stock in trade, and advertising should be a small matter in what part of the paper they appear.

## DURRANT'S DOOM

It is Believed That Gov. Budd Will Not Interfere,

And that the Celebrated Condemned Murderer Will Be Hanged Friday.

The Elder Durrant Will Not Be Present at the Execution—The Prisoner Acts Like Mad—His Nerves Seem to Have Completely Foraken Him.

**SAN QUENTIN PRISON, CAL., JAN. 7.**—Theodore Durrant has entirely given up hope and so has his father, who came over from Ireland with him with the news that the United States district and circuit courts were closed to all further appeals or applications for writs delaying the execution. The court was not convinced that the young Durrant will be hanged Friday, when told that Gov. Budd had taken under advisement application made by his attorneys, John N. Dickinson, W. W. Boddy, T. C. Corcoran and W. S. Sanderson, for a commutation of sentence to life imprisonment, or at least for a reprieve. Theodore Durrant sorrowfully remarked that he had little to hope for from the governor.

THEODORE DURRANT.

The elder Durrant has finally decided not to be present at the hanging. He has so notified the warden, and a man has been retained which Warden Ward granted. The father of the condemned murder asked that after the execution the remains of his son be placed at once in the coffin with the autopsy or inquest, so that the black and white record would be clear, and that there was no fear of wanton or illegal dismemberment.

**CLEVELAND, JAN. 7.**—The Chicago police were requested Thursday evening by the Pinkerton detective agency to apprehend Clark Braden, Jr., the messenger who gave the false information to the American Express Co. that \$10,000 had been stolen from a safe located at Forty-seventh street and Madison avenue. Braden has been night clerk there for three nights only.

There was \$60,000 in bonds left at the office Wednesday night, which Braden was to have turned over to the messengers for shipment Thursday morning. When the messengers arrived Braden, the \$5,000 worth of bonds was missing.

**CLEVELAND, JAN. 7.**—The Chicago police are investigating the theft of \$5,000 in cash, making the total of the robbery \$10,000. The safe was located at Forty-seventh street and Madison avenue. Braden has been night clerk there for three nights only.

The condemned man has received spiritual consolation from Rev. Wm. Rader, a congregational minister from San Francisco. Captain Drahoska and Rev. Father Logan of San Rafael, who has frequently visited Durrant, said farewell.

**SAN FRANCISCO, JAN. 7.**—A special to the Tribune from Washington says that Theodore Durrant has broken down completely. When visited by his parents or friends he controls himself and simulates calmness, but alone with the guards he gives way to uncontrollable fits of weeping, screaming and crying. His nerve seems to have completely forsaken him and the opinion is held that the Sagasta government had been convinced that the only way to save Cuba was to accept the often attitude of entire self-possession and cool indifference ever since his arrest has been so remarkable will have to be gauged to the gallows.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.
